Dear Dr. Humphrey,

in reply to your enquiry (ref. 00045-11) of 6.2.2013, which was directed to the General Director of Communications of the European Commission, I can say that the official figures for 2012 will not be published until September 2013. One may however safely assume that Great Britain was also a net contributor in the year 2012. The last financial report is available for the year 2011 and was published in September 2012:

With kind regards  
Marzenna Guz-  
Vetter
