Dear Dr. Humphrey,

Thank you very much for your enquiry of 6<sup>th</sup> February 2013 about Great Britain as a net contributor to the European Union.

The specific amount that Great Britain has paid to the European Union in the year 2012 will only be established by the financial report published annually by the Commission. This will provisionally be available for the year 2012 in September 2013, because the accounting deadline of the EU budget with various recipients of EU funds (not only Member States, but also private companies) will still take some time.

With kind regards

By order

Hinz
