Dear Dr. Ihnen,

Thank you for your decision of 13.09.2013. You refer to my "statement of position" of 21.08.2013, which was clearly taken by the Public Prosecutor's Office as a complaint in the legal sense.

There are in fact many grounds for the complaint – not only in this case. Due to collegial impartiality and being bound by political instructions, Public Prosecutors are structurally unable to fulfil their actual task of clarifying criminal offences.

Goodbye to the rule of law.

With kind regards
