Dear Mr. Jakob,

Thank you very much for your letter.

The Petitions Committee is already in receipt of communications from other citizens on the subject raised by you. Investigations on this matter have been instituted. Your comments will be included in these investigations and taken into consideration along with the other petitions.

The German Bundestag will make a decision on these petitions on the basis of the recommendation of the Petitions Committee. You will be notified of this decision.

Please understand however that in this decision on the petitions of many other citizens, it is not possible to go into all the individual aspects mentioned in detail.

Personal data will be stored and processed in accordance with applicable data protection regulations.

With kind regards
By order

Wolfgang Dierig
