Dear Mr. Jakob,

I am in receipt of your charge of 6th September 2011 against the Chancellor Dr. Angela Merkel et al. on the grounds of breach of trust. The subject of the charge, the letter of the Chancellor entitled "Four promises, but first a thank you", is identical to that of your charge of 21st March 2011 (File ref.: 00045-11).

In these proceedings (Berlin State Prosecutor's Office, 222 Js 1455) your submissions have been rejected several times, most lately by the decision of the Court of Appeal of 10th August 2011.

I therefore assume that your renewed charge has been brought by mistake. If I hear nothing to the contrary from you within 2 weeks of receipt of this letter, I will assume the matter closed without further correspondence.

With kind regards

Signed

Henjes
